VOLTAGE PILATES
Memberships

Memberships simplify the payment process and keep you from getting booked out of your favorite class and lesson spots. You're charged the same amount on the same day each month. No initiation or termination fees: just let us know 10 days before your billing cycle about any changes you'd like to make.

THE DETAILS

- For weekly membership services, you are charged for 48 sessions annually averaged out over 12 months. This builds in 2 misses from you and 2 misses from your teacher that you are not being charged for. You are not obliged to miss 2 sessions, though, so if your schedule allows no misses, consider those 2 sessions a gift from us.
- You will have a session each week regardless if the month has 4 or 5 weeks.
- Membership is required for standing appointments.
- Rescheduling (outside the 24-hour window) is always welcome but not guaranteed. We are happy to see you in a different class or private lesson spot than normal if our schedule allows!
- If your teacher misses more than their annual allowance of 2 cancellaLons, your account will be credited with the full value of each session missed beyond the two.
- We reserve the right to judiciously offer a substitute teacher for group classes.
- Please note that Voltage Pilates does not offer refunds.
- Our cancellation policy: If you cancel with fewer than 24-hours' notice or no show, the session is charged in full. Thank you for understanding.
- Our no-show policy: If we haven't heard from you 15 minutes after the scheduled start time of your session, we will consider your appointment cancelled.
- Membership payments are made via ACH. Cash and physical checks are not accepted.
